3. The United States Federal Bureau of Investigation (FBI) commenced administrative forfeiture proceedings for the assets identified as items 1-9 in paragraph 1 above. No administrative forfeiture proceedings were commenced for items 10-29 in paragraph 2 above.

4. With respect to items 1-9 in paragraph 1 above, FBI sent written notice to all known interested parties of its intent to administratively forfeit the seized property.

5. The Claimant filed a claim in the administrative forfeiture proceedings commenced by the FBI for items 1-9 in paragraph 1 above, on or about April 13, 2021.

6. The time has expired for any other person to file a claim for items 1-9 in paragraph 1 above, under Title 18, United States Code, Section 983(a)(2)(A)-(E), and no claim for those assets has been received from any other individual or entity.

7. Title 18, United States Code, Section 983(a)(3)(A)-(C), states:

(A) Not later than 90 days after a claim has been filed, the Government shall file a complaint for forfeiture in the manner set forth in the Supplemental Rules for Certain Admiralty and Maritime Claims or return the property pending the filing of a complaint, except that a court in the district in which the complaint will be filed may extend the period for filing a complaint for good cause shown or upon agreement of the parties.

(B) If the Government does not—

(i) file a complaint for forfeiture or return the property, in accordance with Subparagraph (A); or

(ii) before the time for filing a complaint has expired—

(I) obtain a criminal indictment containing an allegation that the property is subject to forfeiture; and

(II) take the steps necessary to preserve its right to maintain custody of the property as provided in the applicable criminal forfeiture statute,

the Government shall promptly release the property pursuant to regulations promulgated by the Attorney General, and may not take any further action to effect the civil forfeiture of such property in connection with the underlying offense.

(C) In lieu of, or in addition to, filing a civil forfeiture complaint, the Government may include a forfeiture allegation in a criminal indictment. If criminal forfeiture is the only forfeiture proceeding commenced by the Government, the Government's right of continued possession of the property shall be governed by the applicable criminal forfeiture statute.

8. The United States and the Claimant jointly request a second extension of the deadline for commencing forfeiture proceedings for the assets referred to as items 1 and 9 above in order to determine whether an agreement can be reached regarding the disposition of those assets. Commencement of judicial forfeiture proceeding at this time may also burden Claimant's right against self-incrimination by allowing discovery of testimony and information which could potentially be used against him in possible related criminal proceedings.

9. The United States agrees that it will return items 2-8 and 10-29 to the Claimant without prejudice to any right it may have to subsequently seek forfeiture of such property. The United States acknowledges that the Claimant is not waiving his right to challenge the forfeiture of any items by signing this stipulation and affirms that he is not

prohibited from spending or transferring the returned assets without restriction.

10. Accordingly, the parties to this stipulation agree to extend the deadline under 18 U.S.C. § 983(a)(3) for filing a judicial forfeiture proceeding with respect to the assets listed as items 1 and 9 in paragraph 1 above.
